---

17 December 2020

Dear Parents/ Guardians,

As we come to the end of this term I would again like to express my thanks to you all for your support of the school during these times.

I have always thought that St Ninian's makes a great community and this has been brought to the fore in recent times even more so.

Between the school YouTube channel and Twitter feed we have posted many videos and pictures of the children enjoying their learning and sharing their experiences with recent additions of the P1 Nativity and House Captain election results. Please do go on and comment or leave a like for the children to see.

Literacy and Numeracy learning opportunities are still going on up until the end of term, albeit with a more relaxed feel at the moment and a focus on Health and Wellbeing still remains a priority.

I would ask that from tomorrow (Friday 18<sup>th</sup> December) you put away the school uniform and the children can come to school in more relaxed clothing. Staff are chomping at the bit to get their Christmas jumpers on, so it is only fair we ask the children the same.

There are usually many pressures on us at this time of year never mind under the tier restrictions. If you are at all concerned about the health of you or family members or are thinking of keeping your child at home over the next couple of days I would ask that you inform the school and we will mark the child absent as 'Parent isolating against coronavirus advice'.

This Christmas I will be choosing not to see my parents at all as I do not feel I have had enough time from the end of the school term to isolate and so I understand if parents wish to take extra time to more safely be with loved ones. We will support any decision you make.

Please have a safe, enjoyable Christmas and we look forward to seeing you all on 6 January.

Yours sincerely

*Martin McCann*
